

CLA CHRISTMAS MUSIC PROGRAM

09/18/2018

Dear Parents,

The holiday season is just around the corner, and that means the time for preparing for our annual Christmas Program is near. This year, we would like to feature talented students and their musical and creative art skills during the performance, through music, instruments, dance, and voice. Below is a permission slip for your son/daughter to be able to audition for one of these select roles. **All students will be able to participate in the program in some way, regardless of natural talent and musical ability, but those with additional skill or interest are encouraged to audition to highlight and encourage their gifts.**

Please note that the varying roles will be subject to additional practices after school hours, and additional supplies, provided by your student. Details are listed below for each role.

Please **sign and return** the attached form below, **EVEN IF your child is NOT** able to attend additional practices, as some roles will NOT require this time commitment.

I look forward to working with your child in the upcoming months to bring you a Christmas Program that's fun and enjoyed by all ages. I hope that you will spread the word to family and friends, inviting them to attend!

Blessings,

Mrs. Curzio
CLA Music Ed.
